

### Summary

Multiple teams, multiple activity bases and a multitude of eager people dispersed throughout the conference room... Can your teams go against the clock and have some huge fun in this fast paced energiser session?

### Activity Features

People move from base to base completing various interactive and thought provoking tasks all in a fast paced, high energy setting.

### Main Benefits

- Get to know your teams and peers
- Boost motivation and energy
- Identify leadership potential.
- Problem solve as a team.
- Impart key conference messages in a fun and engaging way.

### Where can this Activity be run?

Inside or outside (if the weather allows!)  
Conference & meeting rooms.  
Most venues can accomodate it - the larger the space the better.
